

November 04, 2025: On Where is Laura Loomer to Investigate Vegas When We Need Her?

Last time there was an extremely suspicious event in Las Vegas, Laura Loomer was on the scene to investigate whether Steel-sleevin' Stephen Padlock Paddock was an illegal arms dealer.

Las Vegas Sheriff **Joseph Lombardo** shut down questions from a far-right conspiracy theorist during a press conference on last week's massacre.

Laura Loomer had asked about changes to the police timeline of Stephen Paddock's movements in the days and hours before he shot dead 58 people from his room at the Mandalay Bay Hotel.

Authorities initially said the 64-year-old checked in to the resort on September 28, three days before the massacre, but now believe he arrived on September 25.

Where is she now? Oh, that's right **she's a house-cat, now too!** How about that? I tell you what. . . there really is something fishy going on around Donald Trump. I can't place my finger on it, but I am definitely guessing something that looks alot like military spying and extortion.

I wonder what ever could have given me that idea?! Oh that's right - my own personal experiences over the last 4 years!

And let's not forget how much time the Q-Nazi Crew dedicated to Stephen Paddock, Las Vegas, Saudi Arabia, and their Nazi 'Hero' POTUS who was allegedly conducting some secret mission with the Feds. Blah, blah, blah. Look at where we are now. 2017-2025, my what a difference 8 years makes!

'Classified' for 'National Security' reasons, I'm so very sure. Look at that! 8 years - almost to the day exactly!!
